

DOOR helps groups see the face of God in the city. Through weekends in the city, participants immerse themselves in urban life, serve in community-based ministries and reflect on the message of the Psalmist: "God is in the midst of the city." Psalm 46:5.

December 12-14

This weekend participants will serve in projects that assist those with disabilities, learn about how the church can be more welcoming for people with disabilities and worship in a congregation whose membership is 60% folks with mental illness. Discover the way people of faith in Atlanta are ministering to those struggling with health related challenges and sharing and receiving the love of Christ through these relationships.

DOOR is a joint Presbyterian & Mennonite organization that helps individuals and groups engage in urban ministry.
