

DOOR helps groups see the face of God in the city. Through weekends in the city, participants immerse themselves in urban life, serve in community-based ministries and reflect on the message of the Psalmist: "God is in the midst of the city." Psalm 46:5.

January 16-19

Dr. King's vision for our country is as relevant today as it was 40 years ago. Mrs. King's vision for Dr. King's holiday was that it not just be a day off, but a day of service to the community. Participants serve in community ministries, attend lectures and educational events relating to the holiday and worship in a traditional African-American congregation.

DOOR is a joint Presbyterian & Mennonite organization that helps individuals and groups engage in urban ministry.
