

DOOR helps groups see the face of God in the city. Through weekends in the city, participants immerse themselves in urban life, serve in community-based ministries and reflect on the message of the Psalmist: "God is in the midst of the city." Psalm 46:5.

October 3-5

Celebrate World Communion Sunday by learning about the different cultures that make up Atlanta. Participants will eat food from different cultures, serve in volunteer projects with those from different races, worship in a diverse congregation and learn from those who minister cross culturally.

DOOR is a joint Presbyterian & Mennonite organization that helps individuals and groups engage in urban ministry.
